

Have a dream?

Anything is possible!

For 69,000 Iowans who are visually impaired or blind, dreams may seem beyond reach. But not necessarily. We can help.

The Iowa Department for the Blind is a ready resource for visually impaired and blind Iowans. We assist in developing skills and confidence for independent living and meaningful employment. So you'll be free to pursue your dreams – wherever they may take you.

For more information about services or to refer someone, visit www.IDBonline.org or call (800) 362-2587.
